

**December 14, 2018**

**MISD Addendum #2**

**MISD Lawn and Landscape Maintenance RFP #19-002**

**Marshall ISD AG Farm address is 2115 Warren Dr., Marshall, TX 75672**

**Questions**

1. Will mulching be allowed to be done during the dormant season so we focus on turf during active growing season?

Yes

2. Will district provide disposal bins for minor clippings and trash?

Yes

3. How many actual acres will be fertilized of the 103? How many time a year?

Remove from RFP.

4. Will Ant control be spot treatments as needed or will Ant control be broadcasted in all turf areas? Any insecticide preference or required?

Spot treatment as needed for entire property. Contractor is to provide and apply insecticide.

5. Will the district provide truck and lawn trailer parking and/or storage for materials and equipment?

No due to liability.

6. At the new JR High, what kind of maintenance is expected on hillsides surrounding the rear of the campus? Since erosion will be an issue, will it be growing back to a natural stare or will mowing be required?

No mowing needed on hillsides. Leave in natural state.
